ADDITIONAL DATA AND INFORMATION

1. The number of employees of the Group and the Company as of 31 December 2018 was 2,234 (31 December 2017: 2,270).
2. The provisions formed by the Company until 31 December 2018 concern: a) Lawsuits for civil cases against the Company of a total amount € 84.9 million, mainly relating to indemnities for damages from water flooding (due to pipelines fractures and rainfalls), as well as lawsuits from various counterparty suppliers and sub-contractors for violation of contractual terms. b) There are also pending litigations for labor differences of € 169.2 million approximately. Against the losses which may arise if the above ("a" and "b") pending litigations become irrevocably resolved, EYDAP has formed provisions of total amount € 55.1 million on 31 December 2018 versus € 35.3 million on 31 December 2017, which are deemed as adequate. c) Taxes for unaudited years of € 2.4 million as of 31 December 2018, as in the case of 31 December 2017 (note 11), and d) Other provisions for doubtful receivables (customers, contractual assets and debtors) and obsolete inventories of € 93.3 million as of 31 December 2018 versus € 65 million on 31 December 2017.
3. As described in the note 33 of the annual financial statements, the signing of a written agreement - as it is defined in the article 15 of the agreement on 09.12.1999 between the Greek State and the Company - which will determine the price paid for the collected crude water is pending from the year 2004. In absence of a written agreement, the Company continues to offset the cost of the collected crude water with the maintenance and operation services it provides for the fixed assets owned by "L.E.P.L. EYDAP Fixed Assets", thus burdening its financial results.

ISLANDS' EYDAP DEVELOPMENT S.A. was consolidated according to the full consolidation method and as a result no minority rights were recorded. The website of ISLANDS' EYDAP DEVELOPMENT S.A. is [www.eydapnison.gr](http://www.eydapnison.gr).
8. The basic accounting principles and the significant accounting judgments followed and / or made by the Management are the same with the ones applied in the annual financial statements of the Company for the fiscal year ended on 31st December 2017, except for the adoption of the new financial reporting standards as described in notes 40 and 41 of the annual financial statements.
9. The matter of emphasis of the certified auditors is the following: "We advise that you pay attention to the analytical note 33.1 of the financial statements concerning the determination of the price of the crude water supplied to the Company from the Greek State. In absence of a relevant agreement, the Company continues even after 30.06.2013, the date on which the entire issues of economic nature with the Greek State were settled, to offset the cost of the collected crude water with the maintenance and operation services it provides for the fixed assets (used for water collection and distribution) owned by "L.E.P.L. EYDAP Fixed Assets", as stipulated by the article 15 of the contractual agreement with the Greek State dated on 09.12.1999. Changes in the pricing of water and sewerage services will stem from the application of JMD 135275 (GG 1751 / 22.05.2017) "Approval of General Costing and Pricing Rules of Water Services. Method and procedures for recovering the cost of water services in its various uses". At the current phase it is not possible to estimate any potential impact stemming from the enforcement of the above decision on the up to now policy applied by the Company. In our conclusion no reservation has been expressed with regard to this matter."
